

Featuring a Rapid Nutrient Delivery Mechanism for Boron with an Added Nitrogen Boost. Specially formulated to optimize uptake and mobility of essential nutrients within the plant.

 **Sphere o' Life** 10% B  
**Blast B** 5-0-0

Delivered in a wettable powder format for ease of transport and use.

## Advantages & Benefits

- ✔ Better absorption of boron through roots and leaves, improving overall nutrient uptake efficiency.
- ✔ Essential for cell wall formation and stability, leading to stronger and healthier plants.
- ✔ Promotes better pollen germination and growth, enhancing flowering and fruit set.
- ✔ Helps plants withstand environmental stresses, such as drought and temperature extremes, by improving cellular integrity.
