**13-0-0**

**GUARANTEED ANALYSIS**

**Total Nitrogen (N)** ..... 13.00%

- 0.19% Ammoniacal Nitrogen
- 0.77% Other Water Soluble Nitrogen
- 12.04% Water Insoluble Nitrogen

**Derived From:** Feather Meal

**KEEP OUT OF REACH OF CHILDREN**

Read label before use. Refer to the Safety Data Sheet

F3142

FOR AGRICULTURAL & PROFESSIONAL USE ONLY

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

**DIRECTIONS FOR USE**

**Small Garden, Vegetables:** Apply 1 lbs. along the bottom of a 24-foot section of the seed furrow, followed by a layer of soil before seeding. For hill plants, place one cup in the bottom and sides of the planting hole, followed by a layer of soil. For legumes, use one cup every 50 feet as less nitrogen is required. During the growing season, apply an additional 1 lbs. every 50 feet after your blooming, and work in. Always water in newly applied fertilizer.

**Field Vegetables & Orchard Applications**

**Broadcast:** Apply up to 1,000 lbs./ac using conventional spreading equipment, product is most efficient if tilled immediately after application.

**Side Banding:** Apply 500 lbs. per acre in most soils.

For broccoli and Romaine rate can be increased to 600 lbs. per acre.

**Hand Application:** Apply up to 250 lbs. per acre

**Wheat:** Apply 250 to 500 lbs. per acre during seeding.

**Rice:** Follow above directions, allowing at least two weeks before flooding field.

**New Orchards:** Place 1/2 lbs. of product in the bottom of the planting hole, cover with at least one inch of dirt before planting.

**Revitalization of Old Orchards:** Drill a 2" hole approximately 12" deep at 18"-24" from the trunk. Fill to the top with fertilizer.

**Application Rates:** Most crop lands require two applications, one in the spring and one in the fall. High nitrogen crops may require up to three applications during the primary growing season.

**STORAGE & DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Store in original container tightly sealed in a dry location. Dispose of packaging according to state and local authorities.

**CONDITIONS OF SALE:** Perfect Blend warrants this product to conform to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result from factors beyond the control of Perfect Blend. In no case shall Perfect Blend be liable for consequential, special, or indirect damages resulting from use or handling of this product. The buyer assumes all risks. Perfect Blend makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

Do not apply if a heavy rain is expected. Do not apply near water, storm drains, or drainage ditches or to any impervious surface. Only apply to intended application area.
