

Featuring a Rapid Nutrient Delivery Mechanism for Potassium with an Added Kick of Nitrogen.

Specially formulated to optimize uptake and mobility of essential nutrients within the plant.

## Sphere o' Life Blast K 2-0-14

Delivered in a wettable powder format for ease of transport and use.

### Advantages & Benefits

**Rapid recovery** from Potassium deficiency (presented as chlorosis, necrosis, poor root development, slow growth and leaf curling).

Potassium is essential for photosynthesis, energy production, regulating water use, protein synthesis, and enzyme activation.

Better resilience to abiotic stresses including drought tolerance.

Strong root development, better nutrient and water assimilation from the soil.

**Delicious, abundant, and large fruits and vegetables.**

### Crop Types

### Delivery

Application Rate = 2-10 lbs/acre

- |              |   |
