

Featuring a Sustainable Nitrogen Delivery Mechanism.

Specially formulated to optimize uptake and mobility of essential nutrients within the plant.

Sphere o' Life Blast N 14-0-0

Delivered in a wettable powder format for ease of transport and use.

Advantages & Benefits

- ✔ Stimulates beneficial microbial activity in the soil, enhancing nutrient cycling and reducing nitrogen leaching.
- ✔ Better absorption of nitrogen through roots and leaves, improving overall nutrient uptake efficiency.
- ✔ Supports sustainable agricultural practices by minimizing environmental impact.
- ✔ Helps plants withstand environmental stresses like drought, extreme temperatures, and salinity.
- ✔ Promotes stronger root and shoot growth, leading to higher crop yields and better quality produce.
- ✔ Delivered in a wettable powder format for ease of transport and use.
